## WELCOME TO CERES

Ceres is really a very special stop-over in South Africa. Here you get to experience amazing seasons with the most beautiful views. Ceres, although small, has more than enough local and nearby activities for people of all ages. The valley of Ceres, the Koue Bokkeveld and the open plains of the Tanqua Karoo were first inhabited by the San and Khoi, thousands of years ago.

The valley produces the finest deciduous fruit in South Africa. Also well-known for its fresh and dried fruit, fruit juices, and natural spring water.

**The Ceres area is all but quiet. Here you can be adventurous. Be wild! Be daring!**
